

REMARKS

Claims 1-89 are pending in this application.

The Office Action provisionally rejects Claims 1-89 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 17-20 of copending Application No. US 20040081546A1 and over claims 1, 13, 23, 26, 28 and 30 of Application No. US 20040062633A1. In response, Applicants submit terminal disclaimers for both U.S. Patent Application Publication No. 20040081546 (U.S. Serial No. 10/650,479) and U.S. Patent Application Publication No. 20040062633 (U.S. Serial No. 10/650,310).

Applicants believe all the claims to be in condition for allowance, and respectfully request withdrawal of the rejections and reconsideration and allowance of the claims.

Please charge the Terminal Disclaimer fees to Deposit Account No. 04-1696. Applicants do not believe any additional fees are due regarding this response. However, if any additional fees are required, please charge Deposit Account No. 04-1696.

Respectfully Submitted,

Brian M. Dugan, Esq.
